Catarrhal Deafness Cannot Be Cured

by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Catarrhal Deafness, and that is by a constitutional remedy. HALL'S CATARRH MEDICINE acts through the Blood on the Mucous Surfaces of the System. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing may be destroyed forever. Many cases of Deafness are caused by Catarrh, which is an inflamed condition of the mucous surfaces. ONE HUNDRED DOLLARS for any case of Catarrhal Deafness that cannot be cured by HALL'S CATARRH MEDICINE. All Druggists &c. Circulars free. F. J. Cheney & Co., Toledo, Ohio.

R. W. Bardwell was in Baneroff, Neb., on business several days last week.

Land Bargains--Write for my large list on crop payment plan. Jess Kisner, Garden City, Kansas.

Attorney S. T. Frum and County Judge S. W. McKinley were in Hartington on legal business Wednesday.

Carl Appleton, of Thurston county, was arrested and lodged in jail here on a charge of passing forged checks at South Sioux City.

The Quintal boys--Joe, Aler, Freeman and Raymond, left Wednesday for Ford for their home at Il-yoke, Colo., after a several weeks' stay here during the corn picking season.

County Judge McKinley officiated at the following weddings the past week: John W. Soole of Akron, Ia., and Lena Houser of Arcadia, Wis., on the 1st; Herbert D. Miller of Lake Andes, S. D., and Dorothy Smith of Wagner, S. D., on the 2nd; Thomas S. Mitchell and Belle Williams, and Martin Morley and Violet Flannagan, all of Sioux City, on the 5th.

John Deering, of Winnebago, was taken to St. Joseph's hospital, Sioux City, last week for treatment for blood poison in his right leg. The leg was in such a bad condition that amputation was necessary, and on Saturday the leg was taken off just above the knee. He stood the operation very well, considering his age of 73 years, and stands a fair show of recovering.

Five young men from Wakefield, en route to Sioux City Sunday afternoon in a big 1920 Reo car, turned over as they rounded the corner at the Twin churches west of town. How the occupants of the car escaped injury is a miracle, as the car was pretty badly wrecked. The car belonged to E. J. Ericson of Wakefield, and was being driven by one of his sons when the accident occurred. The names of the boys were, Lester and Paul Ericson, Harry Inman, Loren Wilton and Paul Stromberg. Mr. Ericson, owner of the car, came down from Wakefield Tuesday and fixed the car up a little and drove it home. He said he couldn't blame the boys much for the accident, as he had upset in it twice himself.

Sunday, December 18th, promises to be a big day for the Bell Telephone Co. in Homer, when the company will make the awards for heroism to the local operator, Mrs. Mildred Lothrop, and the district manager, Frank H. Forrest, of Dakota City, for their efficient work at the time of the Homer flood on May 31, 1920. A number of prominent telephone officials will be there, and Gov. S. R. McKelvie of Lincoln has promised to be present and will have a prominent place on the program, which will be held in the Farmers Exchange hall at 2 o'clock in the afternoon. Mrs. Lothrop will receive the highest award given by the company, the Van Memorial gold medal and \$100 in cash, while Mr. Forrest will be given a silver medal and \$250 in cash.

Mrs. Edna S. Cawley, of Omaha, a former resident of Dakota City, was married October 25, 1921, at Omaha, to William S. Robinson, of Council Bluffs, Iowa. Rev. Elwin Hart Jenks, pastor of the First Presbyterian church of Omaha, officiated at the ceremony, which was strictly private. Mr. and Mrs. Arthur Dewey, friends of the bride couple, were the attendants. Mr. and Mrs. Robinson will be at home to their friends at 2732, Ave B, Council Bluffs. Mr. Robinson is from one of Council Bluffs' oldest and best families, and has resided there all his life, except when traveling in Europe and in his work in this country. He is a mechanical engineer and is at present employed as chief engineer for the Skinner Manufacturing Co., of Omaha. The bride is well known to the people of Dakota City, where she resided for a number of years, and made many friends with whom the Herald joins in extending felicitations.

Harry E. Brown met with a peculiar accident while on his way home from town one evening last week, and by the way, the same thing might happen to anyone driving a little fast over a railroad crossing at night. As he came to the Burlington crossing in the west part of town, driving his truck at about a 25-mile clip, he saw the headlight of another car on the west side of the tracks and supposed of course that the coast was clear; but when he had approached to within a short distance of the tracks the headlight from the other car disappeared and he discovered a big boxcar standing on the crossing. It was too late then to stop, and he hit said boxcar a pretty good jolt damaging his truck considerably. Another car following him would have met with the same experience if it had been in the lead, but it got stopped in time to save trouble. The singular part of the affair was that the headlight he saw was that of a Ford standing just on the other side of the tracks waiting for clearance, its lights shining through underneath the boxcar on the crossing, which was high enough to let the Ford lights shine underneath and partially blind any approaching autoist.

Winter Corn Show

The annual Winter Corn Show of the Nebraska Crop Growers association will be held at the Agricultural College, Lincoln, on January 4, 1922, during the organized agricultural meetings. Premium lists are now available and can be secured by writing the Secretary at the Agricultural College. In view of the fact that the corn crop this year in Nebraska has been a big one, it is expected that an excellent corn exhibit will be on hand. Corn exhibits at the fairs this fall were the best that have been seen for years and an equally good show is expected in Lincoln. Premiums for wheat, oats, rye, and barley are also offered. A very interesting program for the association meetings has also been arranged.

FARM WANTED

Wanted to hear from owner of a farm for sale, give lowest price, and possession. L. Jones, Box 451, Olney, Ill.

DAKOTA CITY SCHOOL NOTES

By Prof. H. M. Eaton

"Except you become as little children you cannot enter into the Kingdom."

A pick-up football team from the Homer schools played a game of football with a pick-up team from our school. The score was 25 to 6, in favor of the home team.

No visitors again this week. We wonder why we are forsaken. There is just three more weeks before the holidays. Make us a real Christmas present by coming up and visiting the schools. If we are doing well tell us so. If we are not doing well give us some good advice.

Anna Berger and Mildred Frederick took the county examinations last Saturday for a teacher's certificate. They are hopeful that they did well.

Last week closed the three month period of school. We are giving the names of those who have been neither tardy nor absent for the entire three months.

Primary room--Margaret Adair, Willard Sundt, Dorothy Lean, Helen Range, Guy Sides, George Sundt, Harold Peterson, Eldon Morris, William Triggs, John Smith, Carroll Francis, Vern Niebuhr.

First intermediate room--Florence Frederick, Alice Tague, George Foltz, Ruth Graham, Dorothy Fueston, Louisa Neiswanger.

Second intermediate room--Martha Berg, Alfred Forbes, Harry Foltz, Marie Sundt, Edgar Frederick, Grammar grade--Eldo Betke, Horace Graham, Mabel Sundt.

High school--Donald Ebel, Edwin Moran, Ernest Giese, Erwin Bliven, Ralph Bliven, Charles Blacketer, Maurice Niemever, Helen Smith.

We wonder who will be the first to make a bad score in the above.

Bear Island's History.

Midway between Norway and Spitzbergen, Bear Island thrusts its head, known as Mount Misery, above the cold waters. The whole island, save for moss and lichens, is almost destitute of vegetation. Long ago it was joined with the Spitzbergen archipelago; the continental shelf upon which the island sits shows a drowned valley deepening to 200 fathoms; this marks the course of an ancient river system that must have drained an area larger than the present basin of the Volga.--Scientific American.

Successor to the Dakota County Abstract Company

Get Away This Winter!

Get away from business and household responsibilities, care and worry. Get out into the glorious, semi-tropical atmosphere of California, where health, rest, comfort and delightful outdoor activities await you--amidst the flowers and orange blossoms beside the blue Pacific. 'Twill do you a world of good! If your neighbor has been there, ask him--he knows!

Be sure you make the most of the trip, however, and see Denver, Colorado Springs, Pike's Peak, Pueblo, the Royal Gorge, Scenic Colorado, Salt Lake City and the Feather River Canyon through the Sierra Nevada Range--in daylight.

For the accommodation and convenience of Burlington patrons, main-line train 3 carries a through sleeper daily, direct to San Francisco--connecting service from Salt Lake City via the short line to Los Angeles. A delightfully--easy, care-free trip--takes a little longer, but it costs no more and is "The Route Beyond Compare if You Have Time to Spare."

Reduced-rate round-trip tickets are now on sale daily to California--long limits, liberal stop-over privileges--go one way and return via an entirely different route.

Deducting the cost of remaining at home and considering the price of things generally, you'll be surprised how reasonably the trip can be made--especially when you contemplate what this will mean to you and remember that a life which isn't pleasantly spent isn't well spent. Think it over!

BETTER LET ME MAKE YOUR RESERVATIONS WELL IN ADVANCE.
